## OTHER:

- If, at the end of the trip, anyone is interested in an extension to the beach town of Essaouira, Amy can assist with this. Essaouira is about 3 hours from Marrakech. Essaouira will be cooler in November, and it can be a bit windy, but it is still a lovely coastal fishing town to visit.
- We can add some Jewish touring in Fes & Marrakech if the group is interested.
- No Visas are needed for US / Canadian passport holders.
